See 64(b) (ii)

The defect obviously appears to be in respect of the motor cars, motor cycles & cycles owned by the officers ^{of the troops} & being living in bungalows like Ballabrooke & the remaining etc. In such cases, the cycles used by the troops have to be got registered in the Bombay City only unless they are exempted from payment of vehicle tax under the City Mills Act 1933, vehicle tax could not ^{as they have to be registered here} be levied on cycles by the M.C., although not in motor cars & motor cycles, which come under the ^{operation} category of the Mysore Road & Traffic ^{and} Tax Act 1935. This portion of the question will have to be dealt with in the Traffic Board Office.

6 Apart from those who are residing within the ^{thence} M.C. limits, there may also be cars & bicycles owned by ^{military} officers & men, who are camping outside the M.C. limits of the C.M. Station and also ^{at} Ballabrooke City only but who come to the city and there. In these cases also, specific provision will have to be made, exempting them from payment of tax, especially when they do not come into the M.C. limits in duty. It is for consideration if an exemption ^{from payment of vehicle tax & toll to the M.C.} may be granted in respect of cycles only kept by the troops within the Bombay M.C. limits and outside its limits, upto beyond the M.C. limits of the C.M. Station. After orders are passed on this point, the question of exempting motor cars & motor cycles

from payment of taxes under the Mysore Road
Traffic & Taxes Act of 1935 will be referred to the
Mysore Traffic Board when

7) Law secy for 13/1/43

8) Kind refce is invited to the
proviso (d) to Sec 64 (b) of
the Mysore City Mtls Act 1933,
which empowers the Gvt to grant
exemption from payment of the vehicle tax
or tolls leviable on bicycles used by
the personnel of the troops referred to in
the Residency letter. Generally the City
MLA is consulted before granting such
an exemption. But the present case is
not likely to concede the point, even
if consulted & further there would
be delay also. Hence, if appd, a draft
of exempting the bicycles owned by the troops
from the payment of ML tax will be put up.

9) Thereafter, the file will be transferred
to the office of the Secy, Mysore Traffic
Board to deal with the question of granting
exemption in respect of the motor cars & cycles
owned by the troops, under the

26) The request of the Residency is that exemption from payment of Municipal Tax on motor cars and cycles, may be granted to the Military personnel who are at present stationed outside the Civil & Military Station limits owing to the recent expansion of troops in the Bangalore area

27) Municipal Tax is at present levied only on cycles which are kept within the City Municipal area. If these vehicles are in the possession of Military personnel stationed outside the Municipal limits, no question of recovering any Municipal Tax in respect of these arises. The question of exempting such cycles from the payment of Municipal Tolls when they enter the City area has to be examined in the L S G Section

28) Taxes on motor cars and motor cycles are leviable on all such vehicles used or kept for use in the State under the Mysore Road Traffic and Taxes Act. It is now for consideration whether the vehicles belonging to all troops stationed in the State could be exempted from payment of tax as desired by the Residency

29) To ascertain the practice followed in the Civil and Military Station in this respect, I addressed the President, Municipal Commission, Civil & Military Station, and the reply received from the Secretary, Municipal Commission, is placed below. It will be seen therefrom that free Tax Licenses for motor cars and

required under rules to maintain such vehicles There
appears to be no objection in granting exemption from
payment of taxes in cases of vehicles belonging to the

such vehicles are required to be kept by them under any
Military Regulation It cannot, I think, however apply
to private vehicles of all troops where such vehicles
